Since the first graduating class in 1910 to last year's class, there have been over eight hundred people who have been recipients of diplomas from Fayetteville High School. Hence, it is to these distinguished alumni and to the future of F. H. S. that we, the graduating class of 1974, proudly dedicate this year's Spotlight. May none of us ever cease possessing loyalty and fidelity to Fayetteville, whatever its future might be.

Class Of 1974

Class History

In September, 1962, 30 frightened, but anxious first graders entered the halls of Fayetteville for the first time. Helping us become accustomed to our new routine was our teacher Mrs. Fox.

After a summer vacation we returned to renew the friendships we had made in our first year. Mrs. Mitchell was our second grade teacher.

Mrs. Morarity was our third grade teacher. It was during this year we performed our first play, "Betsy Ross and the Flag." The cast consisted of Jeaneen Terry--Betsy Ross, Steve Mosier--George Washington, Cathy Roberts--Little Girl, and Karen Hodges--the flag.

In the fourth and fifth grades we faced more advanced studies--multiplications, long division, and decimals. Mrs. Morgan was our fourth grade teacher and then we had Mr. Phillips in the fifth. During these two years we were involved in Biddy Basketball. We were known as the Fourth Grade Cubs and the Fifth Grade Bombers.

As sixth graders we began to feel like upperclassmen. Our teacher was Miss Todd. It was during this year that we raised money for Muscular Dystrophy.

Next we reached Junior High. Our seventh grade sponsor was Mr. Baker, who helped us with our money making project--a bake sale. In correspondence with our history class, Mr. Baker brought a miniature cannon to school. Class officers were Jeff Blackburn--President, Steve Mosier--Vice President, Bonny Chasteen--Secretary, and Jeaneen Terry--Treasurer. We ended the year with a party at Spring Mill.

As eighth graders we had a car wash and went on a trip to the Bedford Public Library. Our class officers were Jeff Blackburn--President, Steve Mosier--Vice President, Cathy Roberts--Secretary, Bonny Chasteen--Treasurer, and Marilyn Petersen--Reporter. In Indiana History we had the choice of singing "On the Banks of the Wabash" or receiving an "F"--thanks, Mr. Ramey!!!

For 22 students, September 1970, was the beginning of our first year in high school. Our class officers were Terry Kern--President, Steve Mosier--Vice President, Karen Hodges--Secretary, Trena Evans--Treasurer, Marilyn Petersen--Reporter, and Kenny Watson--Sgt-at-Arms. A few of us had the opportunity to attend Bedford High half a day to take subjects not given at FHS. Highlight of the year was ordering Freshmen Keys.

We greeted our Sophomore year knowing that we would be ordering our class rings. Our officers were Steve Mosier--President, Karen Hodges--Vice President, Tim Kelly--Secretary, Trena Evans--Treasurer, Cathy Roberts--Reporter, and Jeaneen Terry--Historian. We picked apples at Purdue Farm for a money making project. We were entertained by having parties at Bobby's, Trena's, and Cathy's. Steve Mosier changed the routine in speech class when he brought a baby groundhog to school. The year ended with a class picnic.

Before we realized it, high school was half over and we began our junior year. In charge of class activities were Karen Hodges--President, Dave Morris--Vice President, Cathy Roberts--Secretary, and Jeaneen Terry--Treasurer and Historian. We started the year's activities with a Halloween Carnival and then selling concessions at the ballgames. We were allowed to have a Christmas party--remember the punch!! During the spring Steve Mosier and Karen Hodges were chosen as delegates to Boys and Girls State, with their alternates being Jim Lee and Jeaneen Terry. The end of the year found many of us busy making prom plans. "Moments to Remember" was decided for the theme and the location
was to be at the Rustic Inn. The dance following the dinner featured the band, Z T Peacock. The afterprom was held at the Broadview Bowling Alley.

Hallelujah!!! We're finally Seniors!! This year we find that we are soon to be separated into the world. We've prepared for that day by ordering our name cards and announcements, deciding on caps and gowns, and making decisions on our class motto and colors. Now we bid these familiar halls and faces a fond, yet tearful, farewell with a sigh of gratitude and an acknowledgment, indeed, that "To everything there is a season, and a time to every purpose under the heaven."

Class Prophecy

It is the year 1999, twenty-five years since our graduation from FHS. As we gather to renew old acquaintances, we find that . . . . .

Jeff Blackburn, who drove a cycle to school, is now trying to surpass Evil Knieval by jumping 30 cows in a single bound.

Helen Brown, who dreamed of being a cop, has now received the honor of "Head of the FBI."

Rhonda Byrd, who always enoyed being near train trestles, is now Indiana's first lady engineer.

Bonny Chasteen, who loved physical education, is now a physical therapist and for males only.

Trudy Evans, who was voted Best Dressed, is now a hobo in New York.

Karen Hodges is now a professor at Purdue University, teaching the fnndamentals of apple production.

Pam Kelly, who broke the record of having two wrecks in one week, now owns her own auto repair shop.

Tim Kelly, who studied agricultural mechanics, has manufactured the first tractor to run on alcohol.

Jim Lee, who wanted to become a math teacher, is now selling peanuts on the corner of 16th & N for the square root of 79¢ per pound.

Roy Lintz, who studied drafting, is now designing a new method for drafting girls for sketching.

Dave Morris, who was always interested in racing, is now a five time winner at the Indy 500.

Steve Mosier, who was well known for a receding hair line, is now running his own toupee shop.

Marilyn Petersen now owns her 20,000 acre farm in Texas and spends most of her time pronouncing Allis Chalmers to Dave.

Cathy Roberts is now married to Steve and is teaching basketball to 12 little Steves.

Sheila Ross, who was voted Most Scatterbrained, is now a neurosurgeon for Polaks.

Eddie Stotts is now a printer for "Nudeweek" and has mass production.

Jeaneen Terry, who was well known as the class fighter, is now the U.S. ambassador of peace in the United Nations.

Kenny Watson, who was always involved with wine, women, and song, is now a preacher in Africa, rehabilitating the pygmies.

Class Will

I, Jeff Blackburn, will my good memory to Stickers and my good cow chasing ability to Dennis Jones.

I, Helen Brown, will my great driving ability and all my extra credits to Jack Rainey (who really needs them), my ability to not let everyone push me around to Jim Floerke, and Rhonda Byrd and lots of luck to Ken Case.

I, Rhonda Byrd, will my ability to walk across the railroad trestle without being scared to Jim Floerke (who just can't get the hang of it), my big mouth to Mr. Hall in hopes that he gets as much use of it as I have, my ability not to talk about Jim Floerke all the time to Karen East, and my ability to keep my dirty thoughts to myself to Ken Case (which he can't seem to do).

I, Bonny Chasteen, will all my fun as cheerleader to Dolly and Sandy, my school spirit to Mr. Ramey, and all my good times at school to my sister Cindy.

I, Trudy Evans, being of no mind at all, will my ability to be at school on time to anyone who thinks they can make it and my position as easiest to get along with to Christy Evans.

I, Karen Hodges, will my gorgeous red locks to anyone who has nerve to say the redhead is dead, and my ability to be about halfway organized about half of the time to my little sister, Pam, who can't seem to manage it even a tenth of the time.

I, Pamela Mundy Kelly, will my ability to get along with Mr. Glenn to anybody who can do it.

I, Tim Kelly, will my ability to keep a Ford running to all the other Ford owners throughout the world.

I, Jim Lee, will my purple socks to anyone who can look at them without going wild, and my ability to stay out of trouble to Steve Watson.

I, Roy Lintz, will my basketball ability to Jones and Sticks, my great looks and fabulous locks to Mr. Malott, and all my fun in school for the past four years to Coach Max Ramey--thanks a lot!!

I, Dave Morris, will my '70 MG to Leslie Walls, my superior driving ability to A. J. Foyt, and my love life to anyone who enjoys staying home on Sat. night.

I, Steve Mosier, will my ability to stay cool, calm, and collected to Mr. Ramey (who can't seem to handle it), my ability to be liked by everyone to Stanley, and my smile and cheerful personality to Mr. Oliver.

I, Marilyn Petersen, will my short stature to Glenn Coyle, my limited wardrobe to my sister Janet, my farm hand ability to my boyfriend Dave, and my faith to everyone I know because it's one of God's greatest gifts.

I, Cathy Roberts, will my red socks to my mother, my superior intelligence to Mr. Ramey, and my natural looking sun streaks to Mr. Glenn.

I, Sheila Ross, will my ability to sleep anywhere, especially English class, to Brad Bough, and my ability to pay attention in sex education class, in which I'm not even enrolled, to the head of the local John Birch Society.

I, Edward Stotts, will my great printing ability to Ken Case, who is almost there.

I, Jeaneen Terry, will my good grades to Scott Hall, and my ability to drive my parents' automobiles without tearing them up to Bill Clines, along with a NEW pair of overalls.

I, Kenny Watson, will my school attendance of 13 years with no absences to my brother Steve, and my long Sat. night drives to anyone who can handle them.

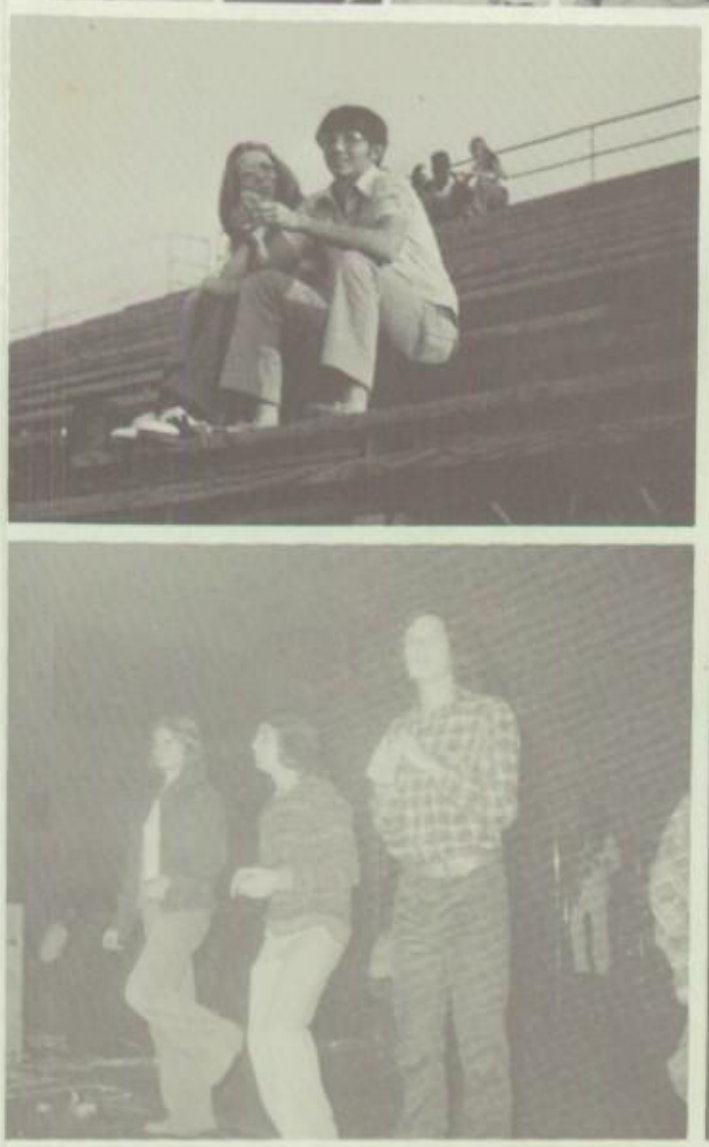
FAYETTEVILLE
SCHOOL
GRADE 2
1963 - 1964



FAYETTEVILLE

HISTORY OF FHS

A school building of wood construction . . . heated by a wood or coal stove . . . one room . . . no bus transportation . . . teachers doing their own janitor work . . . grades one through eight together. This might be a story of the "good old days" but in this instance, this happens to be a true picture of Fayetteville School in its beginning in 1910. This was the year of the first graduating class of FHS in the old two-story frame building located along Highway 158, near the site of the present Fayetteville Baptist Church. Until 1930, this was FHS. At this time a new school was constructed --the present physical plant. This building with only eleven rooms was the extent of our school until new additions were added in 1938, 1952, and 1959. In 1965, school reorganization was voted into effect. With this came the new North Lawrence School Corporation. Although this will be the last year for a high school here at Fayetteville, since this fall will mark the opening of the new Bedford-North Lawrence High School, we, the staff of Spotlight, are confident that the more than eight hundred alumni will always remember fondly the years spent pleasantly with our friends and teachers at FHS. In closing we would like to include a poem by Blanche Short, Class of 1919, which sums up the sentiment of many of us.

Good-Bye
Fayetteville High!
Since Nineteen-Ten, You have been
An Institution of Lore,
For Scores and Scores
of Loyal Gals and Guys!
With Senior Class Graduation, And All Functions o'er
For Nineteen hundred Seventy-four,
High School at Fayetteville, Will be NO more!
We will miss:
Fans rising to sing, The National Anthem, And
"We're Loyal to You, Fayetteville High" --
The Chorus--The Band; Yearbook Spotlight, Queen and King;
Garbed in Gold and Blue, Cheer Leaders--Rooters, too, Yelling:
Roar! LIONS! Roar!
Move we Must.
Curriculum Advantages!
Will Opportunity Knock more often
At the Door of a Big School?
FHS Alumni, Not a Few, I've known--
others, too, from Small Towns Have won Renown!
I doubt size of School Roster--A Great Factor,
Achievement depends--Upon The Actor!
Decreased Expense--
Are we so poor?
We paid our Way--For Many-a-Day!
Hope--we will, All goes Well, and humbly Pray,
Come what may, The Right Prevails, In every way,
Making Happiness each day,
at Bedford-North Lawrence High!
Now, with Treasured Memories,
Poignantly, I sigh--
Bidding My Alma Mater
Fayetteville High
Good-Bye!
